

COME TO THE TABLE, INC.
Fighting Hunger in Jennings County

WHAT IS “COME to the TABLE”?

The ‘Come to the Table’ organization was founded by Carolyn Doxsee in September 2016, as a 501-C3 Charity. The purpose of **C_{ome}T_oT_{he}T_{able}** was not to replace any civic or religious organization activity but simply to fill the gaps as it relates to feeding the hungry in Jennings County. Carolyn wanted to provide meals to anyone that wanted a meal regardless of his personal resources, whether rich or poor.

C_{ome}T_oT_{he}T_{able} started out by providing breakfasts at the Senior Center and dinners at CSL. This appeared to be the areas of most need. Also, both CSL & the Senior Center have donated kitchen and storage space. The vision also includes socialization and welcoming of all people. That is why the organization though founded on Christian values, did not align with any one local church denomination; all are invited to participate.

C_{ome}T_oT_{he}T_{able} wants to expand its volunteers to the very people it helps and to cultivate other avenues of providing food to those in need in Jennings County.
